Benmark, Brownsville and Burham ville Railroad-Hurra for Browns ville!

From our Special Correspondent.]

Brownsville, July 25.—Again I have the pleasure to report to you another enterprising movement of our little city. To-day, delegates from Denmark and Durhamville met together with those of Brownsville, Haywood county, organizing a grand railroad meeting to discuss the building of a narrow-gauge road from this place to Denmark and Durhamville. this place to Denmark and Durhamville. In spite of the very unfavorable weather, a large audience assembled at the Brownswille court-house, at 1½ o'clock testifying wall that our people take a great interest in commercial undertakings. At a previous meeting this morning Colonel Bradford was elected chairman, and Mesars. Westbrook, of the Beer and W Haywood, of the States, secretaries.
All parties manifested a good spirit, and to their list of able and well-known professional teachers. We also take great
pleasure in introducing these medical

gentlemen worthy of their highest confidence and esteem.

This year we regard as the beginning of
A NEW ERA IN THE HISTORY OF CUMBERLAND UNIVERSITY.

All parties manifested a good spirit, and
a motion was made at once that the delegate retire to take the proper steps to organize and proceed to business, which
was adopted. When the delegates retired,
the audience discussed the subject over
lively. Amongst others, our Cengressman, W. W. Vaughan, spoke in able
language about the merits of the enterprise. He never was opposed yet to a
single railroad, nor to any other public
enterprise from which any good came to enterprise from which any good came to the people. He described all the benefits of railroads, showing how population and wealth increase wherever railroads are built. Mr. Baker, from Jackson, was called upon to speak, as our people want-ed to hear from the other side. Of course, he is opposed to short-line railroads; says

they never pay, especially, a road from Denmark to Brownsville (which would take the Madison county trade from Jackson). He proposed another and better line—a railroad from Jackson to Browns-ville and Memphis, Colonel Lee, of or Trees, with adjustible wedge frame, cylinder 40 inches in diameter, with boller, chimney, connecting pipes, etc. The masses at work at the left shoulder, and cutting the arm rether extensively. The Drawing Postponed CARD TO THE PUBLIC.

HE Drawing for the Real Estate, held in the Distribution under our management thich was announced to take place to-day, is POSTPONED UNTIL AUGUST SI, 1871. POSTPONED UNTIL AUGUST SI, 1071.
The reason this indulgence is asked of the public we briefly state: Our enterprise is one of magnitude regulting the establishment of Agencies throughout the United States. We have now secured them from New York to the racife Slope, but in doing so more time has been consumed than we anticipated. We are in working order everywhere desired, and place the day of Trawing only two months off for the purpose of giving all our agents, far and near, full scope for their best labors. We started out to render the people a Distribution of valuable Real Estate that should be satisfactory to them in the details of its drawing, and we intend to maintain that point regardless of all eise. If there is of its drawing, and we intend to maintain that point regardless of all eise. If there is to be any grumbling, we prefer that it shall occur in regard to the slight delay we ask, than to have it take place after the drawing is over. On the list of August our enterprise will be perfected. We do not, nor will not require another hour's indulgence.

Mespectfully, PASSMORE & RUFFIN, Managers Real Estate Distribution Memphis, July 4, 1871.
